

**Professional
reliable
people**

**We do the work,
you get a garden to
enjoy**

The people from Gardinère are committed to professionally caring for your garden and guarantee to carry out their services to the following standards:

- We will carry out the work exactly to your requirements and immediately put right anything you are not satisfied with.
- We will give your garden the personal care and attention as if it was our own.
- We will adhere to our maintenance timetable and respond rapidly to any special requests.
- We will keep you informed about the health of your garden.
- We will complete any design or renovation work within the agreed timetable and budget.
- We will only use quality plants and materials.

All Gardinère garden care operators are security checked, wear an identity badge and use a signwritten vehicle.

Gardinère[™]
Professional Garden Care

The easy way to ...
year round garden

pleasure

Gardinère is a new specialised

home garden care service that takes the worry and the work out of creating and maintaining a beautiful garden.

A passion for gardening

The Gardinère team know and love gardening. We provide you with on call expert garden help that can look after anything from weekly maintenance to creating dream gardens with services that include:

Garden Design – remodeling existing gardens, designing new gardens, renovating trouble spots, installing water features and creating the latest design themes.

Garden Maintenance – keeping gardens weeded and clean, plants watered, edges trimmed, pest and disease prevention, feeding annuals and perennials and dead heading flowers.

Shrub and Tree Maintenance – pruning, trimming and feeding as required.

Expert Advice

Which plant where? Your favourite plants wilting from pests and diseases? Where to start with a new garden? Gardinère will help.

We've got years of experience, so we'll help you get it right first time, plus you'll learn how to maintain a healthy garden and get lots of tips to produce fabulous results.

And if you need more advice as you go –

just call Gardinère!

Garden Preparation – clearing and cleaning garden spaces, soil enrichment, fertilising and installing irrigation systems.

Garden Planting – putting in plants of your choice or we'll select them for you, pot planting and repotting.

Lawn Care – edge trimming, feeding, renovation of existing lawns, preparation and laying of new lawns.

Emergency Call – solving pest and disease problems, shrub and tree repair and garden clean up after extreme weather conditions.
